Colour and Tone Worksheet   Name:_____

1) Using a set of PENCILS shade in each square from lightest (4H) to darkest (8B) *Hint! Use the side of the pencil rather than the tip to get a nice soft blend.
2) Try to replicate these shades, blend smoothly from one side to the next.

1
| 4H | H | HB | 2B | 4B | 6B | 8B |

2
| 4H | H | HB | 2B | 4B | 6B | 8B |

3) Now look back at the colour wheel. Arrange the colours below to SHADE with COLOUR.
4) Now try it without stopping at the lines. Blend smoothly between colours.

3
| YELLOW | ORANGE | RED | VIOLET |

4
| YELLOW | ORANGE | RED | VIOLET |
